BROWARD COUNTY BAR ASSOCIATION
Young Lawyers Section

The Broward County Bar Association Young Lawyers Section is proud to announce Experience Camps as its charitable beneficiary for the 31st Annual Charity Golf Tournament! Proceeds from this tournament and related events will be donated to Experience Camps.

Experience Camps is an organization that serves kids whose parents, siblings or primary caregiver has passed away. In honor of Veteran's Day Weekend, some of the proceeds raised will be used to send Broward County children suffering the loss of a Military family member to Experience Camps.

The golf tournament will take place on Saturday, November 10, 2018, at Jacaranda Golf Club in Plantation. The shotgun tee start is at 8:00 a.m., so make sure to check in early for time to enjoy our complimentary breakfast buffet. All golfers will have the opportunity to participate in a longest drive, straightest drive, and closest-to-the-pin contests for prizes. Following the golf tournament, there will be a lunch buffet and awards ceremony, along with the chance for golfers to win more raffle prizes and to participate in our unforgettable silent auction!

Golf tournament sponsors have the opportunity to connect with an enthusiastic and varied audience, ranging from young professionals to South Florida's largest corporate supporters.

About Experience Camps

Experience Camps provide boys and girls whose parent, sibling or primary caregiver has died, with a program that helps build confidence, encourages laughter and allows them to navigate their grief through friendship, teamwork, athletics, and the common bond of loss.

It is a safe environment where kids can explore their grief, break the isolation they may feel with their non-camp peers, and have a whole lot of fun. They have the opportunity to meet and connect with kids who are coping with similar challenges, while getting all of the benefits of the traditional summer camp experience. Through team sports, favorite camp traditions and community living they learn about leadership, confidence and cooperation. Under the guidance of professional bereavement staff, campers have the opportunity to share stories and remember the one who died, while exploring skills that will help them after camp.
