BROWARD COUNTY BAR ASSOCIATION
Young Lawyers Section

The Broward County Bar Association Young Lawyers Section is proud to announce Nicklaus Children's Hospital Foundation as its charitable beneficiary for the 2019 Walter G. "Skip" Campbell, Jr. Memorial Charity Golf Tournament! Proceeds from this tournament and related events will be donated to Nicklaus Children's Hospital Foundation.

Nicklaus Children's Hospital (NCH) is South Florida's only licensed specialty hospital dedicated exclusively for children, and formerly known as Miami Children's Hospital. Nicklaus Children's Hospital is renowned for excellence in all aspects of pediatric medicine and routinely ranked among the best in the nation by U.S. News and World Report.

The golf tournament will take place on Saturday, November 9, 2019, at Jacaranda Golf Club in Plantation. The shotgun start is at 8:00 a.m., so make sure to check in early for time to enjoy our complimentary breakfast buffet. All golfers will have the opportunity to participate in a longest drive, straightest drive, and closest-to-the-pin contests for prizes. Following the golf tournament, there will be a lunch buffet and awards ceremony, along with the chance for golfers to win more raffle prizes and to participate in our silent auction!

Golf tournament sponsors have the opportunity to connect with an enthusiastic and varied audience, ranging from young professionals to South Florida's largest corporate supporters.

If you have any questions, please contact Lauren R. Capote at lauren@browardbar.org. You can learn more about our event or sign up to play/sponsor at <http://bit.ly/YLSGolfTournament2019>

Nicklaus in our Broward Community

A Message from Jessica Daley Marra, Esq. (past Broward County Bar Association Director) and Marc Marra, Esq. (current Broward County Bar Association Director)

For the first 226 days of her life, our daughter, Charlotte, slept in the Cardiac ICU of Nicklaus Children’s Hospital. Charlotte was born two months early with the most dangerous heart condition that exists: Hypoplastic Left Heart Syndrome (HLHS). Essentially, Charlotte was born with half of a functioning heart. At three days old Charlotte had open-chest surgery, which was necessary for her survival. She then required two major open-heart surgeries and will require a third within the next two years. For now, Charlotte is home and doing well, thanks to Dr. Redmond Burke and Nicklaus Children’s Hospital.

The incredible doctors, nurses, and staff at NCH have worked miracles for our family and for countless other families facing the most difficult of challenges. Your sponsorship or donation helps to ensure that other children like Charlotte get the highest level of medical care they need to ensure a happy and healthy future.
