Topics

Unknown Unknowns

Looking at private practice through the lens of a clerk

Known Unknowns

Exploring the transition to private practice, and expectation versus reality

Known Knowns

Looking back and piecing it all together

Unknown Unknowns

During your time as a law clerk, what did you think were the common mistakes or misunderstandings by practitioners?

Known Unknowns

Expectations

- ▶ What insights did you think you would be able to offer at a private firm?
- ▶ What practices did you believe private firms should adopt?

Reality

- ▶ What were you actually able to offer?
- ▶ What did practitioners tend to realize that you were not expecting?
- ▶ How did the practical ability to practice law differ from your expectations of how it should have been done?

Known Knowns

Embracing dissonant aspects of private practice
