BROWARD COUNTY BAR ASSOCIATION
Young Lawyers Section

The Broward County Bar Association Young Lawyers Section is proud to announce Voices for Children of Broward County as its charitable beneficiary for the 2021 Walter G. "Skip" Campbell, Jr. Memorial Charity Golf Tournament! A portion of the proceeds from this tournament and related events will be donated to Voices for Children of Broward County.

Voices for Children of Broward County ("Voices") works to ensure that every abused, neglected, and abandoned child in Broward County has a court-appointed Guardian ad Litem and that financial resources are available for each child's accompanying health, educational, and social needs. Voices is dedicated to making the foster care experience better for all children in the child welfare system.

The golf tournament will take place on Saturday, November 6, 2021, at Jacaranda Golf Club in Plantation. The shotgun start is at 8:00 a.m., so make sure to check in early for time to enjoy our complimentary breakfast. All golfers will have the opportunity to participate in a longest drive, straightest drive, and closest-to-the-pin contests for prizes. Following the golf tournament, there will be a lunch and an awards ceremony, along with the chance for golfers to win more raffle prizes and to participate in our silent auction!

Golf tournament sponsors have the opportunity to connect with an enthusiastic and varied audience, ranging from young professionals to South Florida's largest corporate supporters.

If you have any questions, please contact Lauren R. Capote at lauren@browardbar.org. You can learn more about our event or sign up to play/sponsor at bit.ly/21YLSGolfTournament

About Voices for Children of Broward County

Voices is a not-for-profit 501(c)(3) organization advocating for children in foster care. Voices collaborates with the 17th Judicial Circuit Dependency Court Division and the Guardian ad Litem Program to provide unique programs to help meet the child's essential needs, to provide opportunities for normalcy, and to serve as a voice during this transitional time in their lives. Through Voices' core programs, they provide advocacy, case management, age-appropriate referrals, and wrap-around services so that each child in foster care not only survives but thrives. Last year alone, Voices served 2,831 children and continues to work tirelessly to provide programs to the impacted foster care youth in our community. For more information, please visit <https://voicesbroward.org>.

Voices in our Broward Community

Derrick has been in foster care since his birth in 2017. Derrick was removed from his parents because he was born with drugs in his system, which has resulted in various medical and health issues. Currently, both of Derrick's parents are incarcerated. Derrick lives in a medically licensed foster care home but the foster care family needed additional assistance. His health conditions require him to be connected to oxygen tanks and monitors around the clock. In partnership with the Guardian ad Litem Program, Voices has been able to provide him with comfortable clothing that doesn't interfere with his medical devices, specialized cleaning and sanitation equipment, and age-appropriate toys to help develop his fine motor skills. Your investment allows Voices to serve more children, like Derrick, by providing them with their essential needs, helping to make them feel cared about, and giving them opportunities to be a kid again.
