About Savannah

Savannah has a passion for writing and speaking about the Hope she has found after many years of abuse. She is involved in Survivor Leadership through active prevention and awareness activities. She routinely shares her experiences with the public to grow knowledge of the tragic issue of familial trafficking within the commercial sex trafficking arena. She is a nationally recognized speaker on the subject and has won awards from anti-human trafficking organizations for her efforts.

Savannah has become one of the foremost voices on human trafficking at the State Capitol. In 2019 Savannah was appointed by Attorney General Ashley Moody to the board of directors for Florida Alliance to End Human Trafficking. She has lived a life of abuse and she refuses to sit back and continue to be a victim. The wounds from her past are being healed and it's her desire to be a voice for the voiceless.
